Got a brand when

1. Got a long tall mama she stands about seven feet nine  
 Got a long tall mama she stands about seven feet nine  
 and when she gets to loving, holler papa won't you take your time
2. Oh when she starts loving, she sure can do her stuff  
 Oh when she starts loving, she sure can do her stuff  
 And she squeeze me to tight, holler mama lordy that's enough
3. Got a brand new movement, Lord it's one that she calls her own  
 Got a brand new movement, Lord it's one that she calls her own  
 And when she starts to kissing, make a poor man leave his home
4. And she do a little this and, Mama, she do a little that  
 Son, she do a little this Mama, Lord, and she do a little that  
 And when she put on full steam make a freight train jump a track
5. Said she's long and tall and handsome, sweet as she can be  
 Son, she's long and tall and handsome, sweet as she can be  
 To satisfy that woman takes more than a bumblebee
